Dear Mr. Berggren:

In response to your letter dated May 22, 1981, with regard to the reclamation surety for the above-referenced mining operations, please be assured that your office will be notified by the Division prior to releasing Atlas Minerals from any further obligations upon termination of their operation.

We, likewise, appreciate your cooperation in our mutual effort of regulating mining and exploration activities within the State and avoiding as much duplication as possible. If we can be of any assistance, please let us know.

Sincerely,
